Principal's Pen

Dear Parents:

A school budget is the mirror of what a community values and aspires to. Given these tight economic times, however, it also becomes a source of confusion, frustration and pain. Therefore, my purpose today is to provide you with a clear and useful communication regarding the 2010-11 Easton School budget as it pertains to Helen Keller Middle School.

This past Wednesday, February 24th, 2010, the Board of Education unanimously recommended a proposed budget increase of 2.79%. In order to reach 2.79%, the staff and program reductions at both schools will be deep and could impact your child's education. Here at Helen Keller, two positions have been eliminated: a full time Music teacher and a full time Physical Education Teacher. And, a \$7,265 cut has been made to our extra-curricular activities.

Reducing a music teacher means we will no longer have a full time Choral Program nor will we have a full time

Continued on page 2...

continued from page 1

Instrumental program. Rather, we will have two half-time programs. Not all students who want to play a musical instrument or participate in a choral program will have that opportunity. While not 'core' subjects, choral and instrumental programs provide the very spark that excites many students about school when math, language, arts, social studies, or science simply do not. Not only do these Fine and Practical Arts classes frequently engage students in different modes of thinking and hands-on activities that appeal to diverse learning styles but the 'special' teachers often bring fresh perspectives to instruction.

I ask all of you to show your commitment to all of our students. You can do so by:

- Make it your business to obtain as much information as you can.
- Attend the Board of Education Meeting at HKMS on March 9th, beginning at 7:30 pm.
- Attend the Board of Finance Meeting scheduled for Wednesday, March 10th at 7:30 p.m. in the Town Hall Conference Room as that Board will next review the Board of Education's budget.
- If you can't attend a meeting, you can always email any member of the Board of Education. Contact information may be found by accessing the district's web site @ www.er9.org
- Your voice must be heard. Do not remain silent only to speak later about what was or was not done.

Reducing a physical education teacher means our children will have less physical education time. Health education will be embedded within their physical education time. Physical education is critically important in early adolescence, when young people are concerned about their body image, physical development and attractiveness.

As I have often mentioned, research underscores the importance of 'school connectedness' for your adolescents' emotional well-being and avoidance of risky behaviors. Diverse studies suggest that extracurricular activities contribute more to adult success than do traditional academic measures. One study of thousands of students found that those who participated in extra-curricular activities, compared to non-participants, got higher grades, felt better about school, had higher morale, drank less alcohol and used drugs less often.

Best regards,

Joan C. Parker,
jparker@eastonps.org
Helen Keller Middle School Principal

News from the PTA Presidents

Attention Parents:

As Easton's educational budget is being debated, please be aware that: **WE'RE AT A TIPPING POINT.** To date we have done a great job with limited resources, but **WHY IS THIS YEAR DIFFERENT?...**

The consecutive years of deterioration to the budget have already meant critical cuts to our education. Additional losses will certainly damage the core integrity of our school system.

The infrastructure of our schools needs to be preserved: basic services, quality education, diverse opportunities. We already operate at a level of spending that is \$500 per student below the state average.

The town of Easton was recently voted #1 in Connecticut for small towns according to the Connecticut Magazine, but this designation cannot be maintained if the educational system isn't supported.

Hear the details and show your support for a strong educational system in Easton. Choose to attend **ONE OR ALL** of these key gatherings and make a difference:

March 9th, Board of Education Meeting (HKMS)
 March 10, Board of Education presentation of proposed budget to Board of Finance (Town Hall)
 March 22, Public Hearing (SSES)
 April 26, Town Meeting (SSES)

Certificate of Appreciation

With heartfelt thanks to the students of Helen Keller Middle School comes a certificate and a hand-written note. The actual certificate is signed by Col. Bricker, the Commander of the 82nd Combat Aviation Brigade and Command Sergeant Major, Larry Farmer. It may be seen in the display case in the front lobby. The hand-written note is from LTC Michael Morgan, Commander of the 1-17 Cavalry (part of the 82nd CAB). The soldiers were delighted to receive the snacks, toiletries and cards from our students. The certificate is one that we can be very proud to have received.

Mrs. Weinshel is encouraging students to continue their support even when these troopers come home because there will be more to support ... those who are taking their place.

Carol S. Weinshel

 "Mission Control, This is Apollo"
 "Claudette Colvin", the National Book Award Winner

Helen Keller Ski Club

Our Ski Club season has ended with memories to last a lifetime. This year, more than 120 students skied with us. We would like give our heartfelt thanks to our sponsor, the Easton PTA. Ski Club is organized by two parents; however, we rely on the generous help and support from the 25 dedicated Keller parents listed below, many who attended all four ski trips this year. A special note of thanks to Joan Parker and Sue Kaplan for their direction and support throughout the season.

Ski Club has ended and we're looking for parents to help run the club next year. We are also specifically looking for a parent to handle registration and data input of student information into Excel. If you are interested, call Lisa at 581-0850. We enjoyed the Ski Club crew this year. Their smiling faces will be missed.

Easton Boy Scout Troop 66 Hosting Fourth Annual Gourmet Breakfast

Easton Boy Scout Troop 66 will be hosting its 4th Annual Gourmet Breakfast on Saturday, March 13, 2010 from 7:30 am to 12:00 noon. The event will be held at the Easton Community Center located at 364 Sport Hill Road, Easton, CT. This event is the single largest fundraiser by the Easton Boy Scouts, which helps support their educational and skills development as future leaders within the community.

The gourmet breakfast features local culinary chefs, some trained at the renowned Culinary Institute of America in Hyde Park, New York. The chefs will be cooking made-to-order omelets, Belgian waffles, crepes and Danish Ebleskivers. You'll have to attend to find out what those are, but "delicious" immediately comes to mind! Traditional pancakes, bacon, sausage and beverages will be available as well. The Boy Scouts will be greeters, servers and bus boys.

Last year's third annual event was very successful and a delight to all. Due to popular demand we've started earlier for those early birds! It's sure to be a great way to enjoy a delicious breakfast with your family, friends and neighbors.

Tickets may be purchased in advance for \$ 10.00/Adults or at the door \$12.00/Adults, \$8.00/Seniors (65 and over) and \$8.00/Children (10 and under). Advance tickets are available directly through the scouts. Donations are welcome as well. For more information contact 452-9190.

Save the Date:

37th Annual Spaghetti Dinner

6-9 pm in the HKMS Cafeteria
Friday, May 7, 2010

Tickets on sale in March.

Hope to see you there!!!
