

Special Helmet/Goggle/Lock Offer!

Ski Sundown has teamed up with **GIRO Helmets** and **SMITH Goggles** to offer kids participating in our Programs an economical deal on **Giro's Encore 2 Helmet** and **Smith's Basic Goggle**. We are also adding a **Combo Cable Lock**.

THE HELMET (\$55.00): The helmet offered is the **Encore 2** model in **Black**. For sizing information, please refer to "How to Size and Fit Your Giro Helmet" on reverse side.

Please note: Ski Sundown does not mandate that skiers and riders wear a helmet while in our ski or snowboard school. We recommend personal choice. In addition to comfort and warmth, helmets provide added protection against head injury (ASTM F2040 Safety Standard). It is important to remember the risk of injury can never be excluded completely. Ski Sundown and Giro encourage all skiers and riders to follow "Your Responsibility Code." Guests assume inherent risks and liabilities as outlined on the Ski Sundown Program Badge. For more information on the use of helmets please visit National Ski Areas Association Lids on Kids Website at www.lidsonkids.org.

THE GOGGLE (\$20.00): The goggle offered is the **Basic** model with **Black** frame and tinted single lens (helmet compatible). Please note that it is not a "junior" sized frame.

THE LOCK (\$10.00): The lock comes with a combination that you can set yourself.

To take advantage of this special **one time offer**, order online at skisundown.com or fill out the Order Form on the reverse side and email, fax or mail it to:

Ski Sundown, Attn: Helmet/Goggle/Lock Program, P.O. Box 208, New Hartford, CT 06057

- Questions? Call 860-379-7669, Ext. 254 or 251

HOW TO SIZE AND FIT YOUR GIRO HELMET

To determine your correct size, wrap a measuring tape around your head, just above the eyebrows. The tape should be placed comfortably around your head and not too snug. Giro helmets are sized in centimeters, however, if you have your head size measurement in inches, see our size chart below to get the correct Giro size. Make sure you measure the largest part of your head. If you fall between two sizes, you should select the larger size.

GIRO SIZE CHART FOR ENCORE 2 MODEL AVAILABLE IN BLACK ONLY		
GIRO SIZE	CM	IN
SM	52-55.5	20.47-21.75
MED	55.5-59	21.75-23.22
LG	59-62.5	23.2-24.45

PLEASE DOUBLE-CHECK YOUR SIZE. THERE ARE NO EXCHANGES OR REFUNDS!
