

Dear Samuel Staples Elementary School Parents,

**We need your help with a fun and rewarding project!** Super Scribes and Scribblers is a book that is published every year that showcases the amazing literary talents of your children. The 2010 edition celebrates a remarkable 26<sup>th</sup> year of publication! Every child in every grade from K to 5 will submit a poem or short story and are also invited to create artwork to be considered for publication. Over the past two months, your children have been busily working in class on a written piece that somehow incorporates a lesson they have learned about an SSES Character Trait; Citizenship, Honesty, Integrity, Kindness, Perseverance, Respect, Responsibility, and Tolerance.

Many parents have already agreed to help (Thank you!) and we need Class Parent Volunteers for the following classrooms to assist the teacher with this important project:

Second Grade: Woodford

Third Grade: Arlotta, Durette, Ashby/Keklik, Edwards, Linker

Fourth Grade: Remmell, Corsino, Marchetti, Scholz

Fifth Grade: Brakeman, Fuller, Clark, Maggi

There are three primary responsibilities:

1. Depending on the grade, the teacher may ask for help converting the hand written poem or short story into a typed document.
2. Collect the written pieces (via email) and artwork from the teacher or student by the due date of Wednesday, May 5<sup>th</sup>.
3. Compile all the written pieces into a single Microsoft document and proof read for any grammatical errors and double check the document format (Arial, size 12, left justified).

Please contact the Grade Level Coordinators below if you are willing to volunteer for your child's class and they will provide you with more information. Thank you!
